- ● ● |

Fundamental Issues

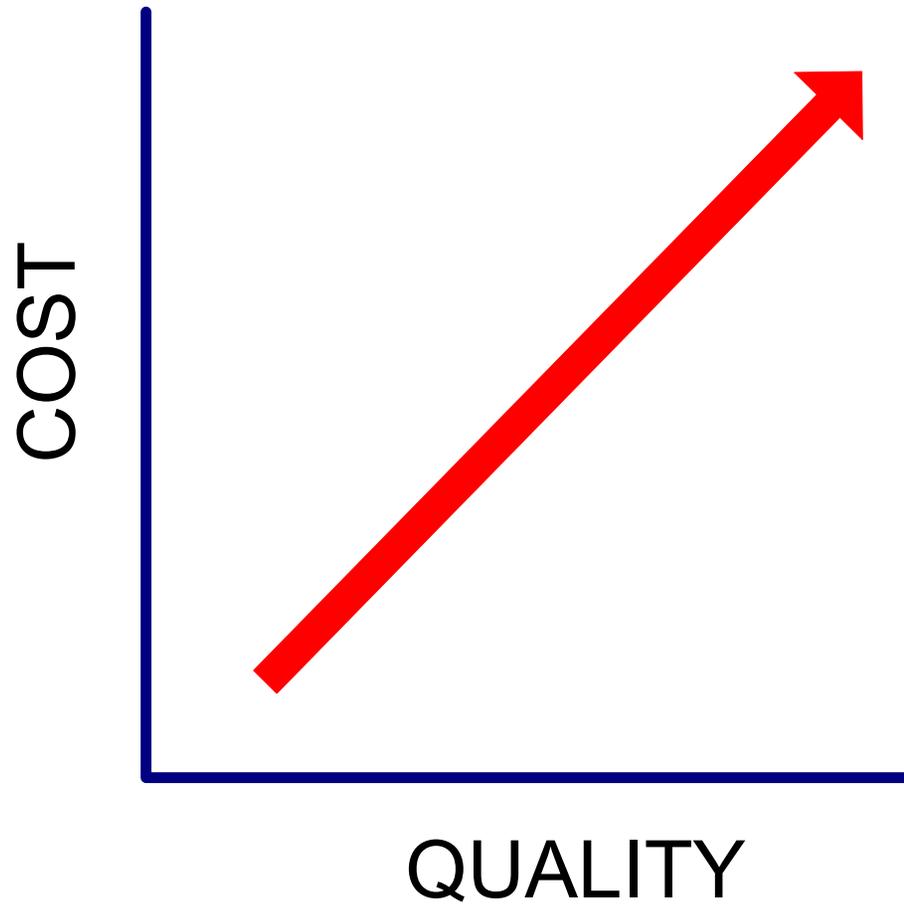

- Quality

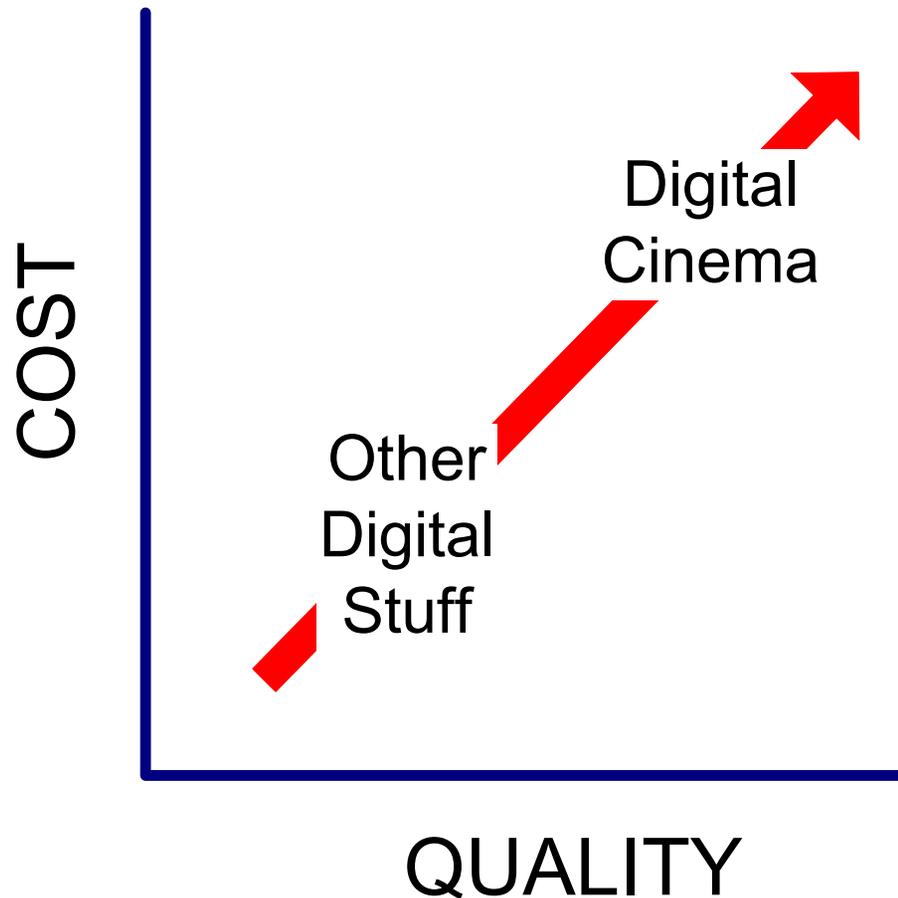

- Interoperability

● ● ● | Quality: The Dilemma

Quality: The Dilemma

Quality: The Opportunity

- ● ● | Interoperability

- Driven by business needs

- To create a market

- To build confidence in new technology

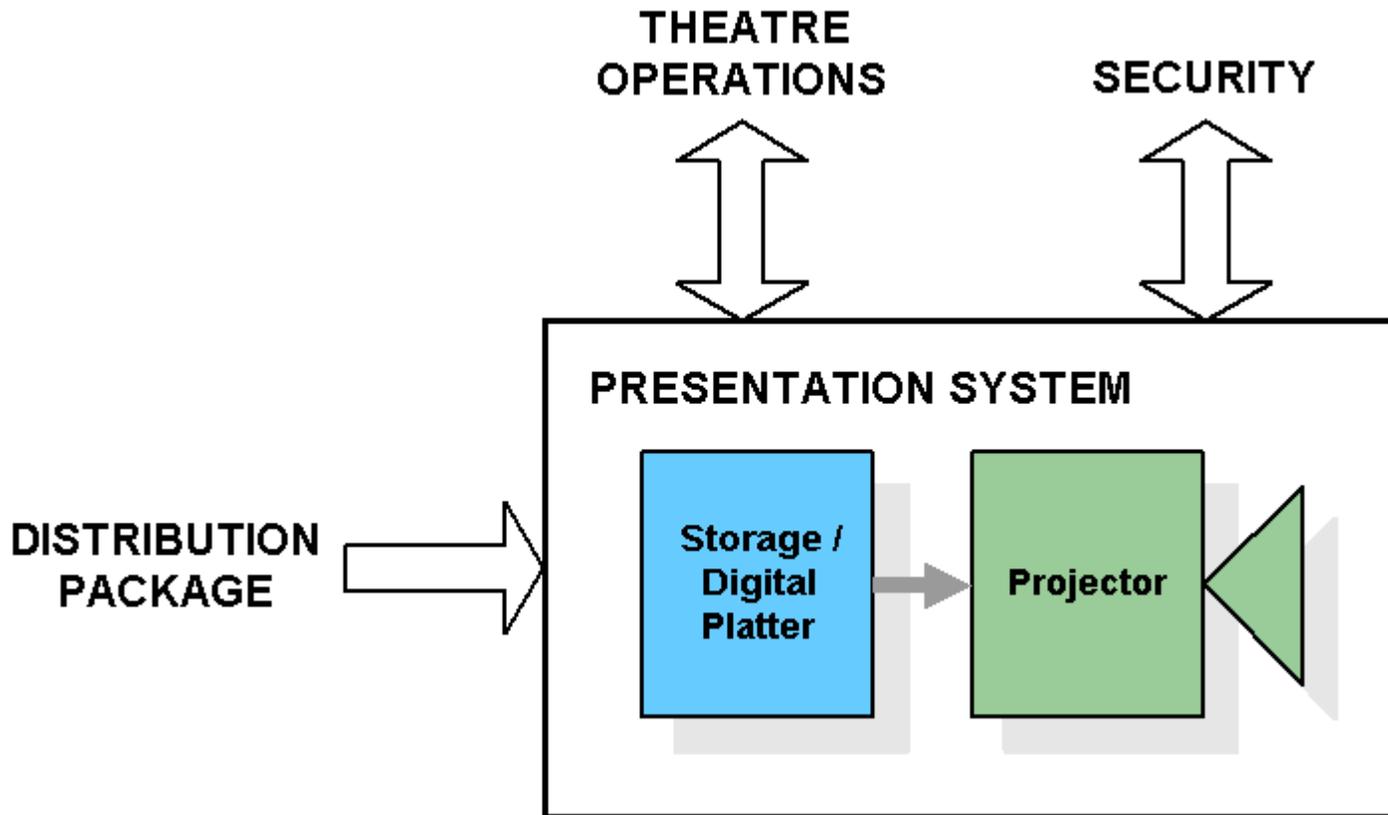

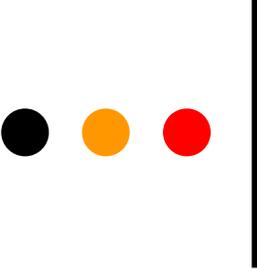

Server & Projector

- How important is interoperability between server and projector?
- Who provides the server?

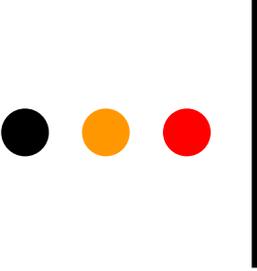

Presentation System

Business Domains For Digital Cinema

- Presentation Systems
- Distribution Systems
- Security Systems
- Theatre Operations Systems

In Summary

- o Quality vs Cost → ODS and DC

- o 4 Business Domains in DC

Thank you
